

Complaints Procedure

Brook Green Medical Centre - Comments, Complaints and Suggestions

Our aim is to provide the highest level of care for all our patients. We will always be willing to hear if there is any way that you think that we can improve the service we provide.

Making a complaint

If you have any complaints or concerns about the service that you have received from the doctors or staff working for this practice, please let us know.

We hope that most problems can be sorted out easily and quickly, often at the time they arise and with the person concerned. If your problem cannot be sorted out in this way and you wish to make a complaint, we would like you to let us know as soon as possible – ideally within a matter of days or at most a few weeks – because this will enable us to establish what happened more easily. If it is not possible to do that, please let us have details of your complaint:

- Within 12 months of the incident that caused the problem; or
- Within 12 months of discovering that you have a problem,

The Practice Manager will be pleased to deal with any complaint. He will explain the procedure to you and make sure that your concerns are dealt with promptly. You can make your complaint:

- In person – ask to speak to the Practice Manager
- In writing – some complaints may be easier to explain in writing - please give as much information as can, then send your complaint to the practice for the attention of the to the Practice Manager, Stephen Weller as soon as possible

What we shall do

Our complaints procedure is designed to make sure that we settle any complaints as quickly as possible.

We shall acknowledge your complaint within 3 working days and aim to have looked into your complaint within 15 working days of the date when you raised it with us. If we expect this to not be long enough for us to provide a response, we shall tell you and give you a revised date of completion.

When we look into your complaint, we shall aim to:

- find out what happened and what went wrong
- make it possible for you to discuss the problem with those concerned, if you would like this
- make sure you receive an apology, where appropriate
- identify what we can do to make sure the problem doesn't happen again.

At the end of the investigation your complaint will be discussed with you in detail, either in person or in writing.

Complaining on behalf of someone else

Please note that we keep strictly to the rules of medical confidentiality. If you are complaining on behalf of someone else, we have to know that you have his or her permission to do so. A note signed by the person concerned will be needed, unless they are incapable (because of illness) of providing this.

What you can do next

We hope that, if you have a problem, you will use our practice complaints procedure. We believe that this will give us the best chance of putting right whatever has gone wrong and the opportunity to improve our practice. However, this does not affect your right to approach NHS England or the Parliamentary & Healthcare

Ombudsman if you feel you cannot raise your complaint with us or you are dissatisfied with the way we are dealing with your complaint.
